WEEK 1: MONDAY

Word Problem of the Day

Juliette loves to eat Jelly Beans! On Monday she ate 6 red Jelly Beans and 4 yellow Jelly Beans. Draw a picture of the Jelly Beans. How many Jelly Beans did Juliette eat?

Writing Challenge of the Day

There was a very fat cat who loved to sit on a mat! Can you print the words **cat** and **fat**? Can you draw and write other words that rhyme with **cat**, **mat**, and **fat**?

WEEK 1: TUESDAY

Word Problem of the Day

Sam had a bunny rabbit who loved to eat celery. He had 5 pieces of celery and gave his bunny rabbit 3 pieces. Here is a picture of the celery. Scratch out the 3 pieces Sam's bunny ate. How many pieces of celery are left?

Writing Challenge of the Day

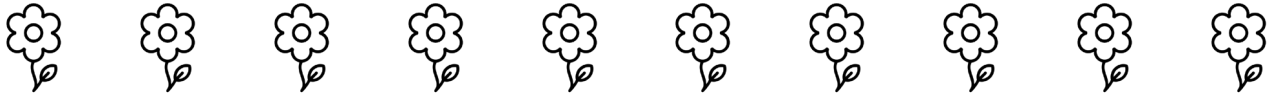

Today you get to invent your dream ice cream sundae. What flavour would it be? What treats would it have on top? Draw the treats and name this amazing ice cream concoction! Write the name above your ice cream.

Parents: help your little one stretch out each sound in the word. He might only write the first sound, and that is great! If your little one is not sure of the first sound, teach him that single letter today.

WEEK 1: WEDNESDAY

Word Problem of the Day

I went for a walk down the road and noticed some beautiful flowers that were planted in a pattern. The pattern went: Red flower, Blue Flower, Yellow Flower, Red flower, Blue flower, Yellow flower. Colour these flowers. Can you continue the pattern?

Writing Challenge of the Day

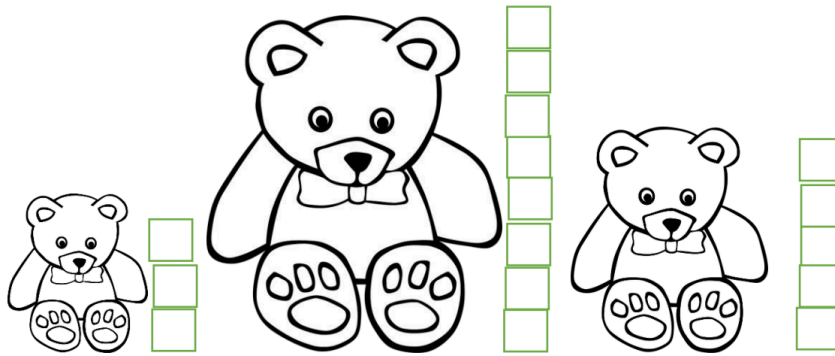

Choose your favourite book. Look through that book until you find a word that starts with the same letter your name starts with. Write that word here. Can you find more words that start with your name letter in that book?

WEEK 1: THURSDAY

Word Problem of the Day

I wanted to put my teddy bears in order from smallest to biggest. I decided to measure them using blocks. My red teddy was 3 blocks tall. My blue teddy was 8 blocks tall. My pink teddy was 5 blocks tall. Colour the teddies. Which of my teddies is the smallest. Which is the biggest? Which teddy is in the middle?

Parents: You can make this trickier by asking, "How much taller is the blue teddy than the pink?"

Writing Challenge of the Day

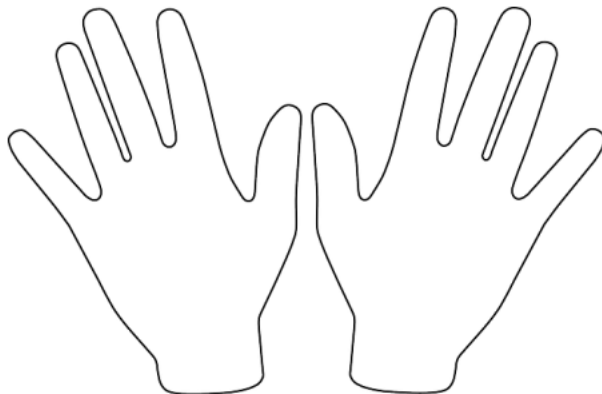

What is your favourite animal? Why is it your favourite? Draw your favourite animal here and print your animal's name.

Parents: Help your little one to stretch out the animal's name. They might only get the first letter, and that is great! If your little one does not know the first letter, teach that single letter today.

WEEK 1: FRIDAY

Word Problem of the Day

Camryn loves to paint her fingernails. She decided to paint half of her fingernails pink and half of her fingernails blue. How many fingernails did she paint pink? How many did she paint blue?

Writing Challenge of the Day

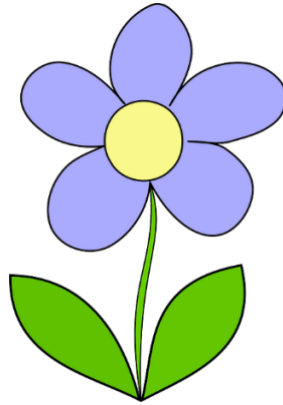

Draw a picture of your family. Print your name under you in the picture! Have everyone else in your family write his or her name under his or her picture! Look to see if any letters in your name are the same in your family members names.

Parents: If your little one cannot yet print their name, help them learn to print the first letter today!

WEEK 2: MONDAY

Word Problem of the Day

A ladybug landed on a beautiful flower. 4 of his friends joined him on the flower. How many ladybugs are on the flower now? Draw the ladybugs

Writing Challenge of the Day

Find all of the **-ed** words in the sentence and highlight them. Can you think of 2 more **-ed** words?

Ted sat on his red bed and fed his pet dog Ned.

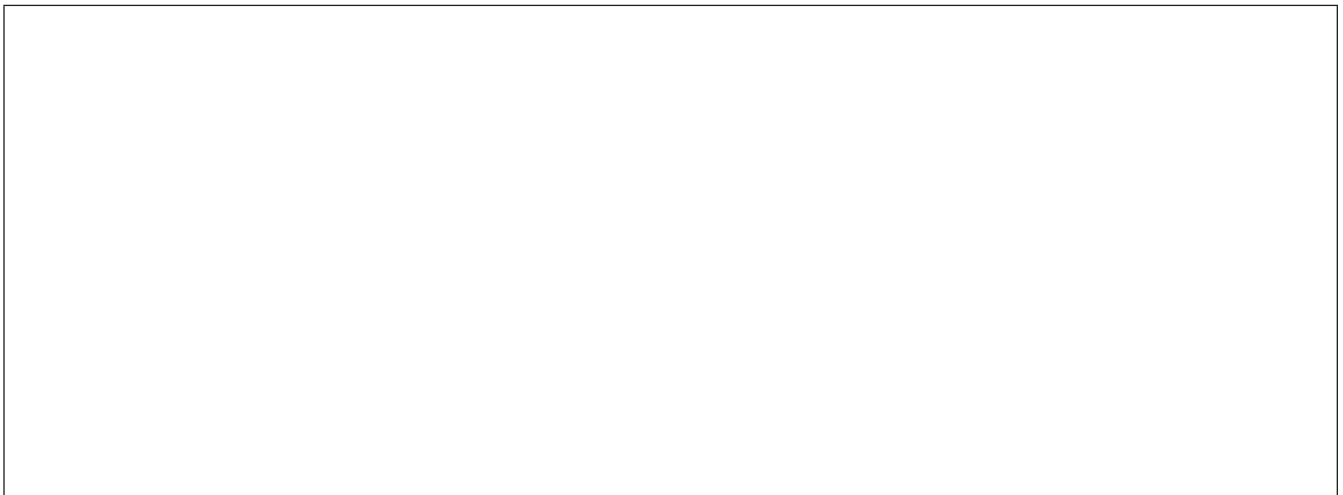

WEEK 2: TUESDAY

Word Problem of the Day

Draw a shape that has 6 sides. Draw another shape that has 6 sides, but looks different from your first shape.

Writing Challenge of the Day

Tell a story about your favourite thing to do. Do you love going for walks? Playing with your pet? Do you love baking? Draw a picture and write a few words describing your story!

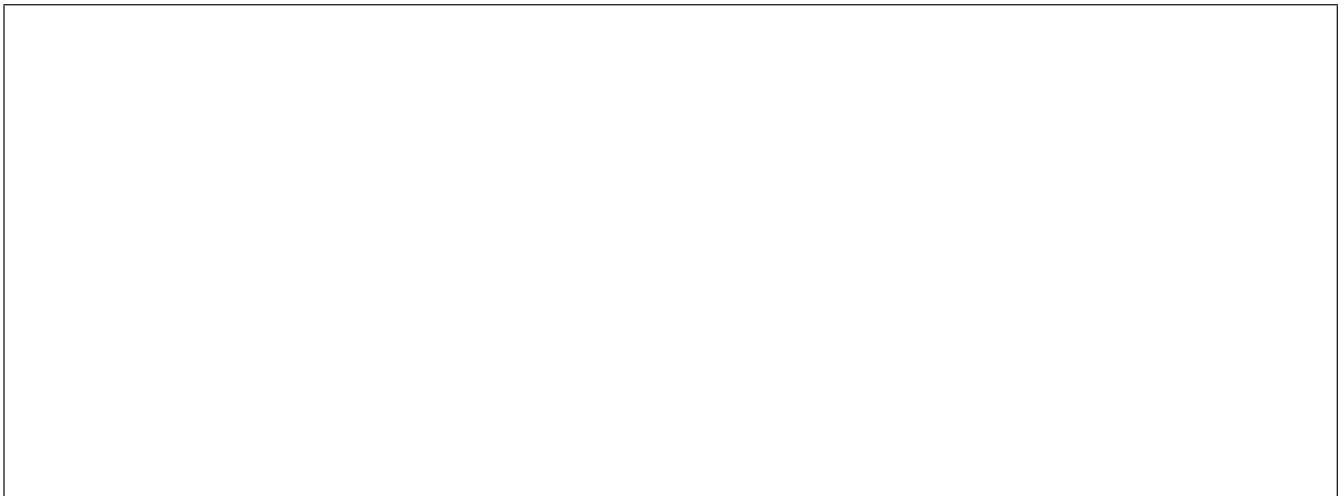

WEEK 2: WEDNESDAY

Word Problem of the Day

Miles is baking with his mom. They have 2 cups of flour in a bowl and then add 1 cup of water. How many cups full are in the bowl?

Writing Challenge of the Day

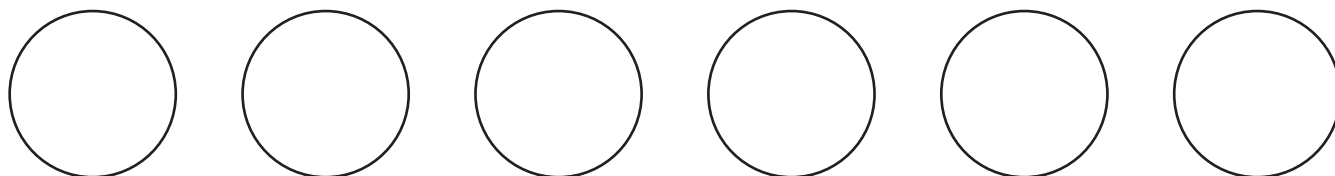

Pick one of your favourite books. Tell what your favourite part of the book is. Can you draw a picture of your favourite part and give it a name?

WEEK 2: THURSDAY

Word Problem of the Day

Lily made a colour pattern. Her pattern was red, yellow, blue. Colour her circles to match her pattern.

Writing Challenge of the Day

Print each letter of the alphabet and then point to each letter and say the sound.

WEEK 2: FRIDAY

Word Problem of the Day

Finn asked all of his friends what their favourite animal was. 2 people said rabbits, 3 said dogs, 5 said cats. Fill in the tally chart to show everyone's answers.

Animal	Tally
 Rabbit	
 Dog	
 Cat	

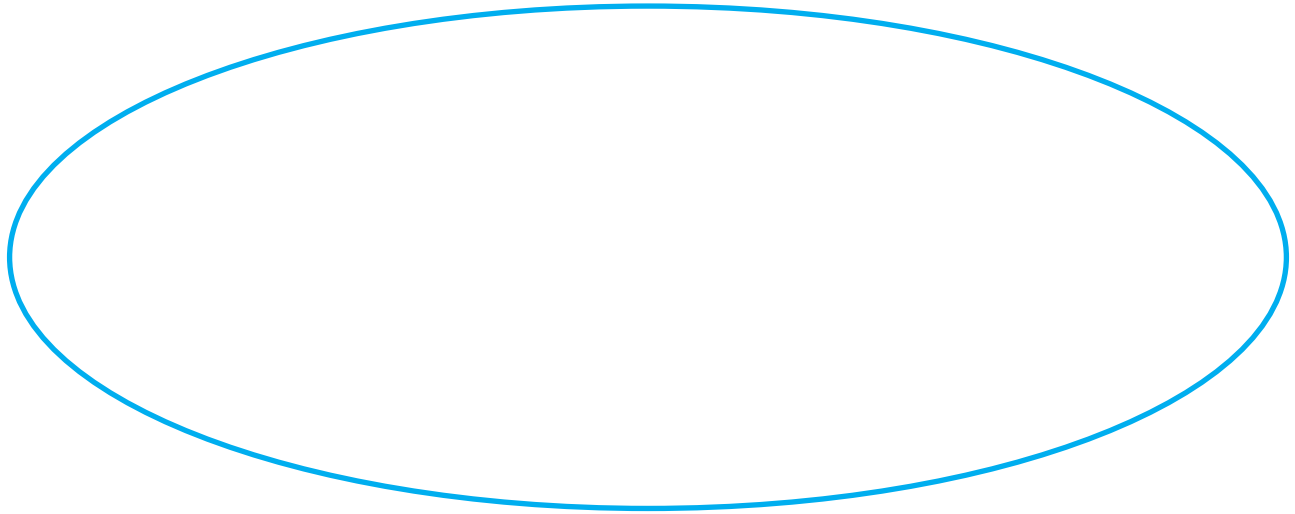

Writing Challenge of the Day

What are your 3 favourite toys? Draw a picture of the toy and print the name of the toy under the picture.

WEEK 3: MONDAY

Word Problem of the Day

3 yellow fish were swimming together in the pond. 5 blue fish joined them. How many fish are there altogether? Draw the fish.

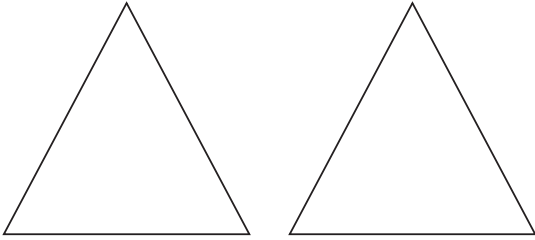

Writing Challenge of the Day

Can, man, pan, ran are all part of the **-an** word family. Write these words and say a silly sentence using all of these words.

WEEK 3: TUESDAY

Word Problem of the Day

Kingston has 2 triangles. What other shape can he make with these 2 triangles? Draw a picture of your new shape.

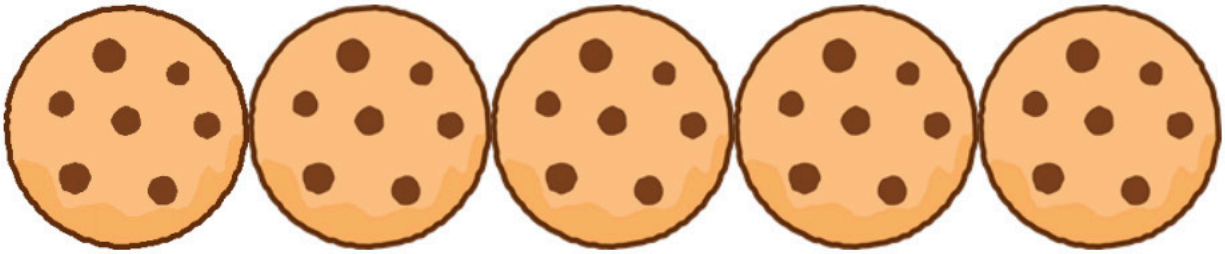

Writing Challenge of the Day

Tell 5 things that you are grateful for. Draw a picture for each. Can you label one of your pictures with a word?

WEEK 3: WEDNESDAY

Word Problem of the Day

Adam made 5 cookies. His brother ate 3 cookies. His mom ate 1. How many cookies does Adam have left?

Writing Challenge of the Day

Pick one of your favourite books and make up a new ending! Can you draw a picture to go along with your new conclusion?

WEEK 3: THURSDAY

Word Problem of the Day

Red, blue, blue, red is an ABBA pattern with colours. Create your own ABBA pattern using shapes.

Writing Challenge of the Day

Find something in your house that starts with each letter of your name.

WEEK 3: FRIDAY

Word Problem of the Day

Ben has a bag of 10 jelly beans. 8 are pink, 2 are yellow. Draw the jelly beans and answer the questions.

Ben closes his eyes and picks one jelly bean. What colour is Ben most likely to pick? What colour is Ben least likely to pick?
