

Safety Notice and Disclaimer of Liability

The activities, information, and materials included in this resource are provided for educational purposes only. Parents, caregivers, and educators are responsible for reviewing each activity and determining whether it is appropriate for a child's age, abilities, developmental level, individual needs, and circumstances.

1. Adult Supervision Required

Continuous, attentive adult supervision is required during all activities. By using this resource, you assume responsibility for selecting, preparing, supervising, and completing each activity safely.

2. Age and Developmental Appropriateness

Any age recommendations provided by How Wee Learn are general guidelines only. Children develop at different rates. Before allowing a child to participate, the supervising adult must consider the child's skills, maturity, allergies, sensitivities, physical abilities, and tendency to place objects in their mouth. Modify, replace, or discontinue any activity that may be unsafe or unsuitable.

3. Material Safety and Choking Hazards

Some activities may involve small parts, tools, sharp objects, heat sources, kitchen equipment, or other materials that could cause injury if used improperly. Examples may include beads, scissors, balloons, stovetops, and ovens.

Small items present a serious choking hazard, particularly for children under three years of age and children who still place objects in their mouths. Keep all hazardous materials out of reach when they are not in use. Use only materials that are age-appropriate, labelled non-toxic, and suitable for their intended purpose. Always follow the manufacturer's instructions and safety warnings.

4. Disclaimer of Liability

By using or implementing any portion of this resource, you acknowledge that participation is voluntary and undertaken at your own risk. To the fullest extent permitted by law, How Wee Learn and its owners, authors, creators, publishers, employees, contractors, contributors, and affiliated organizations are not responsible or liable for any injury, illness, allergic reaction, loss, damage, expense, or claim arising from the use or misuse of this resource, its instructions, or its suggested activities and materials.

You assume full responsibility for the safety and supervision of all participants and for complying with applicable product instructions, safety guidelines, and laws.
